Production/Quality Assurance	
<b>Production Process</b>	Testing, rare earth magnet, optical color laser sorting, metal detection, packing, finished product metal detection
<b>Steam Sterilization (optional)</b>	Testing & finished product metal detection only. Production and sterilization conducted by supplier of origin and pre-packaged in vac-packed poly bags.
<b>Product Testing</b>	Every incoming product lot is tested by an independent third-party ISO/IEC 17025 certified laboratory for microbiology and gluten prior to Edison Grain production. Lot-specific Certificates of Analysis are available on the Edison Grain website: <a href="http://edisongrain.com">http://edisongrain.com</a>
<b>Equipment Testing</b>	ATP swab of food contact surfaces prior to production
<b>Finished Product Metal Detection</b>	Rejection Thresholds:
	Stainless: 5,556 mm (bulk) / 2,0 mm (retail & food service)
	Non-Ferrous: 5,5 mm (bulk) / 1,5 mm (retail & food service)
	Ferrous: 2,5 mm (bulk) / 1.2 mm (retail & food service)
<b>Quality Control</b>	HACCP program. FDA requirements implemented which include current Good Manufacturing Practices and Food Safety Plan with hazard analysis and process, allergen, sanitation, and supply-chain preventive controls.
<b>Pest Control</b>	As a certified organic facility, Edison Grain does not use pesticides on site. Pest control is achieved through non-chemical measures including management of environmental factors to prevent pest reproduction, and use of tin cats with glue boards, pheromones and pheromone traps, and insect light traps. Interior/exterior surveys are conducted weekly by in-house staff and monthly by a licensed professional pest control service.

Storage/Stability/Use	
<b>Recommended Storage</b>	Ambient. Store in a cool, dry place out of direct sunlight.
<b>Humidity</b>	70% maximum
<b>Shelf Life</b>	12 months in original sealed packaging
<b>Preparation</b>	Product may be boiled, baked, toasted, or eaten raw. Sort before using.
<b>Expected Use</b>	Suitable for general public as well as Celiacs or those with gluten sensitivities.

Lot Code Explanation		
Example: BFG25-1078-CA-542		
	Explanation	Translation
<b>BFG25</b>	3-letter Product Code + bag size	Beans/French Green Lentils/ 25 lb. bags
<b>1078</b>	Date lot received from supplier using 3-digit Julian date + extra digit for year	Received on: 107 = June 14 8 = 2018
<b>CA</b>	Country of origin using ISO 2-letter country code	From Canada
<b>542</b>	3- to 5-digit internal control number	Internal control number
